

Name: Sue Fox

Lab affiliation: Lab Manager

Current Projects: My main project is trying to keep the lab organized! I am the curator of lab reagents and involved in a number of projects. Recently, I have been involved with a genome-wide RNAi screen with *C. elegans*.

Hometown: Edgerton, Wisconsin

Undergraduate: University of Wisconsin-Madison

Hobbies: woodworking projects and anything that involves the Green Bay Packers!

Favorite thing to do in Chicago: Enjoy the great restaurants and summer festivals.
